County CalWORKs Reports

CalWORKs Caseload (CA 237CW) by Case Type

All Other: All families that have not been identified as either a Two Parent or a Zero Parent family.

Child Only: Child-only cases are those cases in which there is no adult in the assistance unit. In some of these cases, there is no parent living with the child, and the caregiver is not legally responsible for his or her care (i.e. kinship care cases). In other cases, a parent is living with the child, but is ineligible for benefits for some reason.

Non-MOE Non-Maintenance of Effort (Safety Net, Long-Term Sanction):

- Safety Net are cases in which all adults have been discontinued from cash aid and removed from the Assistance Unit (AU) due to reaching the CalWORKs 48-month time limit.
- Long-Term Sanction cases are cases in which a parent/caretaker is in the household and is eligible for aid, but that parent/caretaker has been in sanction status for 12 consecutive months or longer.

TANF Timed Out: Families that include an adult head-of-household or a spouse of a head-of-household, (including minors that are head-of-household) who have received federal TANF assistance for a total of 60 cumulative months.

Two Parent: AUs that include two aided, non-disabled, natural or adoptive parents of the same aided or SSI/SSP minor child (living in the home), unless both parents are minors and neither is the head-of-household. This also includes Two Parent AUs in which only one adult reaches the CalWORKs time limit.
